The Software is available for download and use subject to the terms and conditions of this License. Access or use of the Software constitutes acceptance and agreement to the terms and conditions of this License.

The development of the Software has been funded in part by NSF IIS 0308237 and NSF IIS 0713623.

This Software is distributed to individuals for personal non-commercial use and to non-profit entities for non-commercial purposes only. It is licensed on a non-exclusive basis, free of charge for these uses. All parties interested in any other use of the software should contact the Rice University Office of Technology Transfer [techtran@rice.edu]. Rice and the Developers allow researchers at your Institution to copy and modify Software, for internal, non-profit research or educational purposes, on the following conditions:

1. The Software remains at your Institution and is not published, distributed, or otherwise transferred or made available to other than Institution employees and students involved in research under your supervision.
2. You retain in Software and any modifications to Software, the copyright, trademark, or other notices pertaining to Software as provided by Rice.
3. You provide the Developers with feedback on the use of the Software in your research, and that the Developers and Rice University are permitted to use any information You provide in making changes to the Software. All bug reports and technical questions shall be sent to the email address provided for the specific Software: oopsmp@rice.edu.
4. You acknowledge that the Developers, Rice and its licensees may develop modifications to Software that may be substantially similar to your modifications of Software, and that the Developers, Rice and its licensees shall not be constrained in any way by You in Rice’s or its licensees’ use or management of such modifications. You acknowledge the right of the Developers and Rice to prepare and publish modifications to Software that may be substantially similar or functionally equivalent to your modifications and improvements, and if You obtain patent protection for any modification or improvement to Software, You agree not to allege or enjoin infringement of your patent by the Developers and Rice or by any of Rice’s licensees obtaining modifications or improvements to Software from Rice University or the Developers.
5. You and the Developers will acknowledge in our publications contributions we make to each other’s research involving or based on the Software. All work that uses the Software should reference:
